

LIST OF PREPARERS

NEW MEXICO ECONOMIC DEVELOPMENT DEPARTMENT/OFFICE OF SPACE COMMERCIALIZATION

Lou R. Gomez, MS, ME, Program Manager, Technical editing

NEW MEXICO STATE UNIVERSITY/PHYSICAL SCIENCE LABORATORY

Jacob L. Baca, BS, Geographic Information System thematic products and modeling

Brett L. Brown, MA, Geographic Information System thematic products and modeling

Edward J. Burlbaw, PhD, Program Manager, technical drafting and editing

Roy M. Cunniff, MS, quality assurance review, technical drafting and editing

William M. Gutman, PhD: Air quality, noise assessment, flight safety and risk assessments, occupational health and safety assessments, technical drafting and editing

Mary K. Houdek, BS, Geographic Information System thematic products and modeling

Deborah L. Houde-Nethers, BS, Biological field surveys and assessment

Ann Lewis, Technical Editor, word processing, graphics, document publication and production

Bernard M. McCune, MS, Engineering conceptual layout, operational concept, licensing and site selection

Thomas W. Ray, Biological field surveys and assessment

Robert J. Silver, MS, CIH, Operational concept, industrial hygiene, occupational health and safety, safety risk assessments, risk assessment, solid/hazardous/toxic materials and waste assessments, technical drafting and editing

William E. Stepp, MA(E), Project Manager, land ownership and use, technical drafting and editing

Robert M. Sullivan, PhD, Biological field surveys and assessment, Principal Author of Biological Assessment

James L. Thomas, MS, Engineering conceptual layout, civil engineering, water resources, land ownership and use

W. Karl Wilson, BA, MA, Biological field surveys and assessment

NEW MEXICO STATE UNIVERSITY/SOUTHWEST CENTER FOR ENVIRONMENTAL RESEARCH AND POLICY

Erin Ross, MA, Socioeconomic analyses and modeling

Jeffery B. Eaton, BA, analyses and modeling

Robert S. Hudson, BA, Socioeconomic analyses and modeling

NEW MEXICO STATE UNIVERSITY/WATER RESOURCES RESEARCH INSTITUTE

Bobby J. Creel, PhD, Ground and surface water resources and modeling

John F. Kennedy, MA, Geographic Information System thematic products and modeling

List of Preparers (Continued)

1 ***NEW MEXICO STATE UNIVERSITY/DEPARTMENT OF CIVIL, AGRICULTURAL, AND***
2 ***GEOLOGICAL ENGINEERING***

3 J. Phillip King, PhD, PE, Ground and surface water resources and modeling

4 A. Salim Bawazir, BS, Ground and surface water resources and modeling

5 Mark W. Wentzel, BS, Ground and surface water resources and modeling

6 ***NEW MEXICO STATE LAND OFFICE***

7 Harry N. Relkin, JD, Land use, ownership, and acquisition technical editing

8 Norman Nelson, MA, Cultural resources management technical editing

9 David C. Deardorff, PhD, Biological resources technical editing

10 ***SIERRA COUNTY, NEW MEXICO***

11 Richard R. Ramsey, Sierra County Planning Department Consultant

12 ***INDEPENDENT CONSULTANTS***

13 Hansen Environmental Consultants, Englewood, CO – Roger P. Hansen, JD, Principal author: Purpose
14 and Need/Description of Proposed Action and Alternatives Sections, technical drafting and editing,
15 Quality Assurance review, legal sufficiency research and review

16 Human Systems Research, Inc., Las Cruces, NM

17 David T. Kirkpatrick, PhD, Cultural resources, archaeology, technical writing and editing, Principal
18 author: archaeological survey

19 Meliha S. Duran, MA, Cultural resources, technical writing and editing, archaeological report
20 production and publication

21 ICF Kaiser Environment and Energy Group, Albuquerque, NM

22 Charles Scardino, MSPH, PE, technical drafting and editing, conceptual design and engineering, air
23 and water quality analyses, socioeconomics, and transportation

24 Richard A. Smith, MS, JD, Engineering conceptual design, and technical review

25 Roger W. Skaggs, MS, Glenwood, NM, – Aplomado Falcon and raptor field surveys and preliminary
26 reports

27 W. Stephen Dubyk, MS, RG, REA, Geohydrology, mineral resources, and land use

28 Zephyr Design, Albuquerque, NM

29 Judith N. Suiter, MLA, Visual assessments, recreation, and socioeconomic analysis

30 Marsha Lee, MLA, Visual assessments, recreation, and socioeconomic analysis
